## Routine Walking Trip Permission Slip

Routine walking trips are taken on the Centerville Mills Park property and to the Dining Hall (also part of the Centerville Mills Park property). The staff/child ratio requirements of Rule 5101:2-12-20 of the ODJFS Administrative Code shall be met on routine walking trips and children shall be assigned to specific child care staff members. During routine walking field trips, rules for student supervision and staff training will be followed (ODJFS rule 5101:2-125-18). Thus, children will not have access to water that is more than two feet in depth, nor will activities be planned in water that is more than two feet in depth. At the Centerville Mills Park, the students will not have access to the lake and walks on the property will not be taken near the vicinity of the lake. A second adult shall be present for every combination of seven or more preschool and school children or for every ten school children if the group of children on the walking trip includes only school children (the Pre-K Class). Written permission for routine walking trips shall be completed and updated annually or as needed.

I grant permission for my child to participate in the routine trips as described above.
